Toll Dialing Parity Plan for Applicants Providing Voice Grade Service:

In the application, it states that the Company is intending to provide traditional voice grade service; therefore, unless the Applicant intends to restrict its customers from accessing long distance carriers, the Applicant must submit to the Authority an appropriate toll dialing parity plan. The Plan should include the following:

1. Include the proposed implementation date.
2. Include a list of exchanges in which IntraLATA toll dialing parity will be provided.
3. Include a method to be utilized to enable new and existing customers select alternate providers of telephone toll service.
4. Accomplish IntraLATA toll dialing parity by a means other than automatically assigning toll customers to itself or any other carrier.
5. State the PIC method to be utilized (2-PIC, Multi-PIC, etc.-2 PIC minimum)
6. Include customer education procedures.
7. Identify the LATA with which it is proposed to associate.
8. State whether a PIC change charge waiver period is proposed and for how long.
9. Include anti-slamming procedures.

10. Include statements concerning nondiscriminatory access to telephone numbers, operator services, directory assistance, and directory listings.
11. Include a statement that the carrier will comply with all rules of the FCC and the TRA.

Miscellaneous

Please provide pre-filed testimony for the CLEC application. This testimony should describe the services to be provided, the applicant's technical, managerial, and financial abilities to provide the telecommunications services and affirm that all information submitted is true and correct.

If you have any questions or comments regarding this data request, please contact Darrell Whitis at (615) 741-2904 (ext. 132). Please submit the requested information by October 1, 2002.
